Dear Mr. Ordiway:

Up until now, you've missed an opportunity that saves you money -- up to \$52 -- and gives you more reliable information.

Let me explain.

By making a break with the past -- and trying the TAMPA EDITION of the St. Petersburg Times -- you can save up to \$52.

The TAMPA EDITION is objective, well-written and consistently accurate. It's Tampa Bay's only daily newspaper that is locally owned and operated.

Simply put, the Times does the best job of providing you objective news and information of local, statewide, national and international issues.

We give you a quick overview of the news. Then we back it up with well-written, in-depth analysis.

Because of its consistent quality, more people in the Tampa Bay area now read the Times than any other newspaper.

See why and save as much as \$52. Use the postage-free envelope I've enclosed to mail your "Trial Subscription Card" back to me today.

You'll see that the Times TAMPA EDITION covers Tampa from Tampa, with Tampa reporters, for the people of Tampa.

It was the TAMPA EDITION that first uncovered the questionable hiring policies of the Tampa Police Department. An overhaul of hiring practices soon followed.

We've investigated the power companies, banks, oil-supply speculators, developers and home-repair con artists.

TIME Magazine calls us one of the
10 Best Newspapers in America.

Our **Floridian** section offers contemporary views on everything from fashion trends to parenting. And in the same section, our critics review the most recent movies, new music and

the theater. The Comics are in color every day and our television listings are the most comprehensive in the Bay Area.

Every Monday our always comprehensive Business section expands into a separate tabloid. And whether you follow professional, collegiate or the neighborhood high school Sports, you'll find what you're looking for in the Times.

Friday's Weekend section describes Tampa Bay's hottest night spots, reveals weekend hideaways, reports on movies and provides a calendar of nearby events.

And on Sundays you get TV DIAL, Parade Magazine, Travel and Perspective, an entire section dedicated to editorials, commentaries, book reviews, and letters to the Editor.

Try the TAMPA EDITION today. Act now and receive it every day for only \$1.15 per week -- a 46% savings off our regular home delivery. Following your trial period, I'll deliver the TAMPA EDITION to your home at our regular low rate for as long as you like.

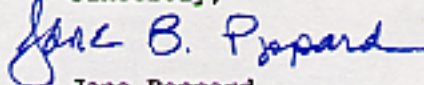

But for maximum savings, lock-in your special trial rates now! You're guaranteed our low introductory rate for up to one full year of your subscription -- a \$52 savings.

Your trial subscription is also risk-free!

If at any time the Times doesn't meet your expectations, simply cancel and I'll send a prompt and full refund for the undelivered portion of your subscription.

There is no risk. Mail your Trial Subscription Card back to me today in the postage-free envelope I've enclosed.

Sincerely,

Jane Peppard
